AFTER YOUR FIRST VACCINATION APPOINTMENT, PLEASE FOLLOW THE INSTRUCTIONS BELOW:

- Continue to comply with the distancing and hygiene rules.
- Make sure you attend your second appointment because it is only after the second vaccination dose that full vaccination protection is achieved.
- Use the Paul Ehrlich Institute's SafeVac 2.0-App app to report on how well you have tolerated the vaccine. Contact your family doctor to discuss any side-effects you may have.
- Full vaccination protection only occurs two to three weeks after the second vaccination appointment. Please act responsibly during that time.
- If you have any questions, use the **www.116117.de** website or call **116 117**.
